### Movie plots

**Crash (R)** — A provocative, unflinching look at the complexities of racial conflict in America, Crash is a film that challenges audiences to question their own prejudices. Diving headlong into the diverse melting pot of post-9/11 Los Angeles, this compelling urban drama tracks the volatile intersections of a multi-ethnic cast, examining fear and bigotry from multiple perspectives as characters careen in and out of one another's lives.

**Kicking and Screaming (PG)** — A lively comedy about the cutthroat, hyper-competitive world of little league soccer. When Phil decides to coach his 10-year-old son's soccer team, he goes head-to-head for the league championship against his overly competitive father Buck, who coaches his own young son on the preeminent team of the league. Old scores come into play as Phil and Buck find themselves going to extreme measures to win the championship trophy.

**Mindhunters (R)** — On a remote island, the FBI has a training program for their psychological profiling division, called "Mindhunters," used to track down serial killers. The training goes horribly wrong, when a group of seven young agents discover that one of them is a serial killer and is setting about slaying the others.

**The Island (PG-13)** — Lincoln Six-Echo is a resident of a seemingly utopian facility in the mid-21st century. Like all of the inhabitants of this carefully controlled environment, Lincoln hopes to be chosen to go to the "The Island"—reportedly the last uncontaminated spot on the planet. But Lincoln soon discovers that everything about his existence is a lie.

A two-man extreme team entertained groups around Hanau and Wiesbaden July 19-20 as part of Summer Shout Out, an Installation Management Agency - Europe Morale Welfare and Recreation program.

Team Rootberry, made up of Jonathan Root and Bill Berry, has juggled, sword swallowed and unicycled their way across 19 countries and all 50 states performing for audiences and participating in competitions. The duo holds five world records and seven international juggling championships.

"When we got started in this business some people said

there was no future in entertainment," said Berry. "But for us juggling is a passion.

"What I want to say to you

Bill Berry swallows a sword while his partner, Jonathan Root, looks on.

is pursue your dreams," he said.

"It was great," said David Hoker, 11, who attended a performance at the Pioneer Fitness Center with other Hanau School-Age Services children.

"They did a whole bunch of great tricks," he said. "These guys were better than the magician we saw last week."

During the performance the team invited Chante Lewis, 7, to join them for a juggling trick.

As Lewis stood very still Root and Berry juggled machetes around her.

Later Lewis said she was scared and was not sure if she would volunteer for something like that in the future.

After their performance

Bill Berry rides a miniature unicycle.

Root and Berry signed autographs for the crowd.

Summer Shout Out continues in August with the Duchess of Deception, magician Joyce Beck, and the Justice League Tour featuring Wonder Woman, Flash and Green Lantern.
